Business:

-The shared use of the Town Fields with the Webutuck Central School is working well. AD Jon Zenz is working with C Ford to be sure any make up games are properly and rescheduled without conflict.

-The Amenia FD is setting up and paying for a new scoreboard on the Little League Field.

-The Peace Pole, donated by the Wassaic Peace Center, will be installed at 11:00 AM on Opening Day on 4/26.

-The Commission Chairman is looking for any new or additional agenda items.

-He also is looking for any activities the members are involved with to be placed in a informational brochure.

-L Gregory was asked if the Wassaic Park could be used as a dog part. This lead to extensive conversation with the result being that owners must pick up after their animals.

-The funding of any future activities that are not "Town" activities need to have clarified guidelines. This was tabled for the short term and will be revisited.

-The Senior Group are interested in attending a Renegade's ballgame in Fishkill. The Commission will investigate possible options and communicate them to the Group.

Closing
