Call to Order – The meeting was called to order at 7:09 p.m. by Chairman Scott Russo.

Chairman Scott Russo opened the meeting with notifying the Board that the Summer Recreation Program was cited by the Department of Health for safety issues on the tennis courts due to the work being done. Scott informed us that the work will be completed on Tuesday, July 16th.

Beekman Park - Now that the baseball is done, we need to work on some upkeep at the Pavilion and the Kitchen, we came up with a to do list including a major clean of the kitchen along with installed some cabinets, painting and installed a new door with locks. Supervisor Perotti approved it and we will be beginning the needed work shortly.

Wassaic Park - It came to our attention that the park was not being cleaned up properly, upon investigating this, Supervisor Perotti will incorporate the weed wacking as part of the contract for next year and in the meantime, Shawn Howard will be handling the upkeep.

Ideas for new Recreation programs/events - A discussion about new programs such as “Concert at the Hall”, a dinner dance and a movie night was had. Scott will talk with Supervisor Perotti of these possibilities.
