

# DUMP ON CANCER

If you see a purple potty in your yard.....it is not a prank! The “Potty Squad” has “dumped” on you for a good cause and a few laughs!

Friends and family of Jason “The Whale” Whaley are hosting a fundraiser October 1-31<sup>st</sup> to help raise awareness and funds to support medical research on prevention, diagnosis and treatment of Pancreatic Cancer through The Lustgarten Foundation. 280,000 pancreatic cancer cases have been reported worldwide. There is a 1 in 68 average lifetime risk and only a 6% survival rate over 5 years.

With a generous donation (listed below) and a request from someone who has already been “dumped on” by “The Potty Squad” a purple potty could be coming to YOUR yard. YES! Real purple potties are being delivered to the following “servicing” areas:

## Wingdale, Dover, Wassaic, Amenia and Millerton.

- #1 \$20.00 P/U & delivery to your choice of destination, or
- #2 \$10.00 Pick up only; no delivery, or
- #3 \$25.00 #1 with a “no return potty insurance”

 HIGHLY RECOMMENDED-AVOIDS ANOTHER “DUMP” ON YOU
