The minutes from the previous month were approved with any corrections noted. The treasurer's report showed a balance of \$100,797 in the capital fund. The bills were not up to date so no updated balance sheet was released.

-The issues of vandalism at Beekman Park were reviewed.

All doors in the concession building need to be locked.

It is recommended that a patrol of the ground be initiated and recommended to the Town Board.

The discussion of a trail cam or some form of security was discussed and tabled.

-The investment in the playground was discussed at length and was tabled for a complete commission meeting when all members are present.

Closing

-Meeting was adjourned at 7:05 PM with the next Recreation Commission Meeting scheduled for the first Monday of November at 6:00 PM.

Respectfully submitted,

Chip Watt
