February 20, 2020
Supervisor's Report

- 1. Wassaic Trail to the Train Update** - Progress meeting was held at the Amenia Town Hall on February 12, 2020 with Colarusso contractors, Town of Amenia Project Manager, WSP Resident Engineer, and Supervisor. Work performed in the last period included: The installation/drilling of the helical piles has been completed. The Pedestrian Boardwalk timber/lumber elements placement, screwing, nailing, and bolting was started and continued so that 50% of the work has been completed. Pending is the installation of railing posts and rails, plus, the completion of ledger-beams, joists, and planks. The installation of the silt fences at the South End Abutment was completed. The Boardwalk's South End Timber Abutment was completed in addition to the underdrain placed and the area backfilled. Subcontractor A & C Fence installed chain-link fence that runs along the western side of the Metro North tracks from the entrance to the Wassaic Train Station and ending well into the Boardwalk area.
- 2. Grant Update** – The Tribute Garden grant In addition to the Greenway Grant for improvements to Fountain Square will be submitted in the next few months. Research into other grant opportunities is ongoing for water and wastewater infrastructure.
- 3. Town of Amenia Meetings** – Supervisor, the Town Clerk, and Deputy Town Clerk went to the Association of Towns annual conference and attended classes. Supervisor also attended a NYMIR recommended seminar entitled “Reasonable Suspicion Training for Supervisors” regarding warning signs of drug and alcohol abuse.
