Supervisor's Report

- 1. Wassaic Trail to the Train Update** – The Trail to the Train Rail Trail is still under construction and is not open to the public.
- 2. Town of Amenia Covid-19 (Coronavirus)** –The Amenia Town Hall departments will be available by appointment only beginning on June 1st as the Amenia Town Hall doors will continue to be locked. Under no circumstances will anyone be allowed into the Amenia Town Hall for an appointment without a face covering. Face coverings are also required to be worn by all town hall staff and elected officials as per the Governor's and Dutchess County's Executive orders. Social distancing protocols will also need to be followed. Your safety and that of the Town Hall staff are our highest priority. In addition, contact the Town Board and/or departments by phone or email if you have any issues or concerns. The Town of Amenia website and Channel 22 are updated on a regular basis as new information is provided for updates and the re-opening of businesses in Dutchess County. Councilman Gutierrez is putting links to important information on the Wassaic and Amenia Facebook Community page. In addition, there is a secure locked mailbox under video surveillance for taxpayers to leave tax payments, water bill payments, or other documents or requests. Under no circumstances are any payments or other documentation to be placed in the United States Postal Service mailbox on the post in front of the building as the Town of Amenia will not be responsible for lost or stolen documents put in there. I know this is a difficult time for all of us. Please continue to wear face coverings and be mindful of social distancing wherever you are. Please also remember to not touch your face, wash your hands often, and use hand sanitizer. Be well and stay safe.
